Please note: All Pet puppies are sold as pet only (also known as AKC Limited Rights) and are on a spay or neuter contract to prevent pet overpopulation. More information on this subject will be included in the purchase contract that will be given to you once your puppy is chosen.

~Reserve List and Deposit Information~

To purchase a puppy from one of our litters, a \$400.00 nonrefundable deposit must be sent in with this puppy application. Once submitted and approved \$400 of the non-refundable deposit goes towards the purchase price and ensures your place on our reserve list. Once you are accepted and placed on the waiting list, your refund at that time becomes non-refundable going forward. The \$400.00 is not refundable, but it is however, transferable. If a puppy you were looking for hasn't been born, (for color or sex preference reasons) you can stay on the waiting list for the next two years from the date of approval upon which if you have not chosen a puppy by that time, you will forfeit the deposit and will have to start another

application if you so desire. How this works~ if the pup you're looking for is not born from the present time litter(s) you will just be skipped over until the one you're looking for is born within the two years' time. In the meantime, your name will climb higher to the top of the list. We run a general waiting list, so it works by sex and color preference in the order we receive the applications. The less preferences you have, the sooner you will get a puppy. If you are looking for "something in particular", the longer you will end up waiting. Our waiting list is generally 6 to 12 months long for customers who have no preferences and 12 to 24 months for customers looking for preferred sex and color. Also a note to consider, the price of the puppy you have chosen to purchase will be locked in for two years and will not change if the pricing increases but if you are applying for various colors and decide to choose the higher priced cream puppy from the two choices and whether or not the price increased you will have to pay the difference.

Please Select a Preference

1.) Pet Puppies Various Colors
(Limited AKC paperwork) \$2,500.00

2.) Pet Puppies Cream/White/Gold/Blonde
(Limited AKC paperwork) \$3,000.00

Once we receive your application alongside the deposit, we will start the processing. Before the over the phone interview between the two of us, we will have already called your veterinarian, landlord contacts and references, so PLEASE be honest in your answers. Anyone caught in anything dishonest will automatically be denied a puppy. Once approved and after a puppy has been chosen then we will email a "Purchase Agreement" contract for you to fill out, sign and return to us. Puppies will be chosen in order of applications received first alongside a deposit. If your application or deposit arrive separately, we will place you in the order of the latter received. We will not hold a reserve spot nor conduct the application review without both being received. **Please note:** The only time deposits are refunded is when we deny your application, after references and or veterinarian check, ONLY

then will your deposit equaling \$350 minus \$50 application fee for processing be sent back to you. If your application is approved, deposits then become non-refundable but are transferrable to another litter of your choosing. We reserve the right to deny the sale of a puppy at any time for what we feel would not be of best interest of the puppy and for acts of dishonestly, harassment, or defamation of character.
